## Pool Rules

1. Our pool is for owners, renters and guests only. An owner/renter must be in the resort for any guest to use the pool. The pool gate code may not be passed to others so that the pool use is protected and preserved for authorized people only.
2. Keep the gated closed at all times; do not prop open.
3. Children under the age of 15 must have adult supervision.
4. There is no lifeguard on duty, so swim at your own risk.
5. Children wearing diapers, unless they are special diapers made for swimming, are not allowed in the pool.
6. Entry to the pool is through the outside gate only rather than through the clubhouse. Access to the restrooms is through the outside side door, not the clubhouse.
7. No bathing suits or bare feet in the clubhouse.
8. No pets are permitted within the fenced pool area.
9. No glass items are permitted in the pool area.
10. Food and snacks are permitted in the pool area but not in the pool. No trash is to be left behind.  
\*\*\* If food or trash is found in the pool area, this privilege will be revoked. \*\*\*
11. No oversized floats or toys are allowed in the pool.
12. No running, horseplay or diving.
13. Do not use the pool if you are ill or have a communicable disease.
